

Grant Thornton Captive Offering - Bermuda

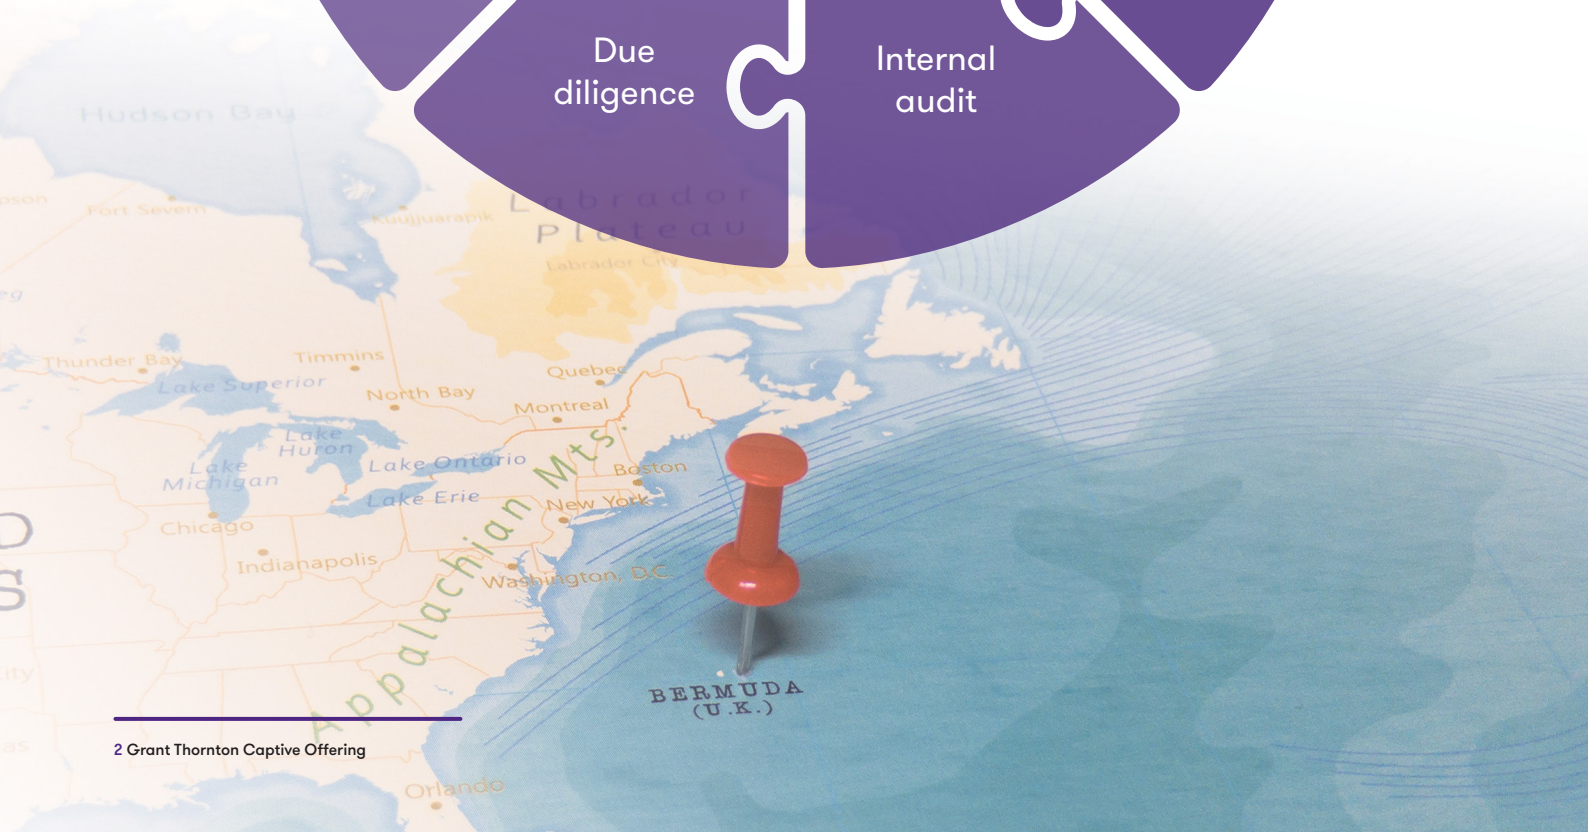

This is Grant Thornton

With our finger on the pulse of this ever-evolving industry, we can provide you with practical, cost-effective solutions enhancing the value creation of your captive.

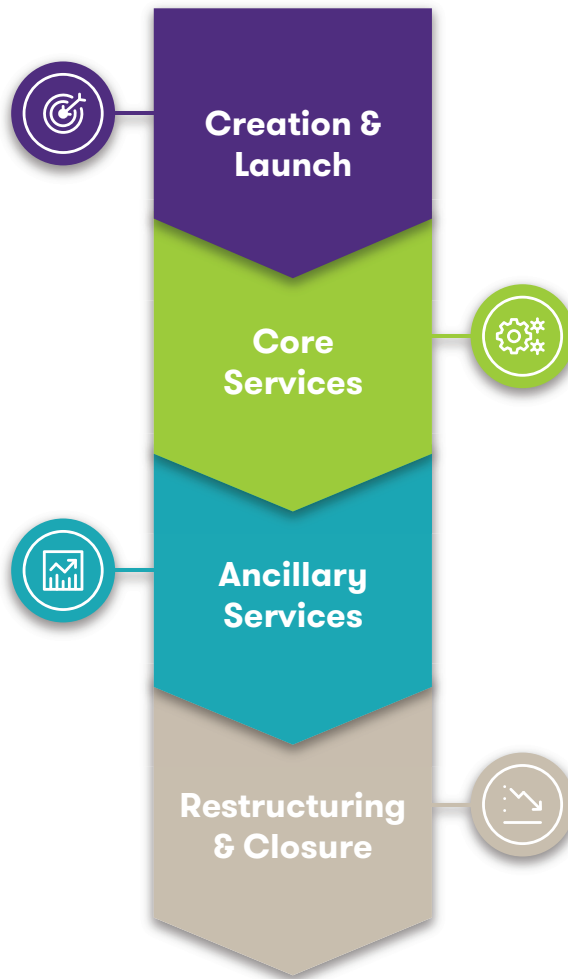

Grant Thornton's team of captive professionals bring a wealth of industry experience and use that practical knowhow to advise clients on audit, accounting, tax, actuarial and regulatory considerations.

Our solutions-driven team, led by Andrew Howie combines local Bermudian captive knowledge with global captive experts to support you and to ensure the success of your organisation.

Our comprehensive range of captive services delivers solutions to all business challenges.
